

The Yorker Spout Cap has become such an industry standard that it has given its name to the category. You encounter our "Yorkers" virtually every day, sealing and dispensing products ranging from gear lube and caulking to barbecue sauce. And today, Yorker Closures also provides ribbon applicators, continuous thread closures, and custom-engineered closures. All are designed and manufactured to the same high standards that have made the Yorker Spout Cap "the indispensable dispenser" for so many products. Since 1948, closures by Yorker have been the industry's top choice.

**Yorker Closures are the popular choice for many top brands worldwide:**
